Dear Sir:

I am writing to ask you to rent me the baseball park in Patterson , for a game between two of the teams of The Negro National League, Saturday July 17th.

We are planning to buy some time on Station WPAT, and hope that will help to publicize the game and draw a bigger crowd.

I will appreciate an answer as soon as possible so we can get started on publicity. If this game proves successful we will try some other games if we can get the park.

Thank you for your past cooperation, hoping for a favorable reply,

Very Truly Yours
